

## Snow and Ice Control Update – February 27, 2026

As Town of Ponoka crews continue working to remove snow from roadways throughout the community, snow removal operations are underway in Central District (Zone 3) **today, February 27** along the following priority routes:

- 57 Avenue from 50 Street to Highway 2A;
- 50 Street from 53 Avenue to 57 Avenue; and
- 53 Avenue from 50 Street to Highway 2A.

Snow and ice control crews are also:

- Sanding roadways throughout the community as needed; and
- Sanding and clearing snow on sidewalks adjacent to Town-owned properties, as well as on walking trails and park furniture (benches, picnic tables, etc.) in Town parks and throughout the trail system.

Motorists are encouraged to please slow down and drive for winter conditions. To view the priority routes map, please visit <https://www.ponoka.ca/p/snow-ice-control-program>

### **'No Parking' Signs**

Please watch for 'No Parking' signs and move parked vehicles from roads when the signs are posted.

Removing your vehicle from the roadway when 'No Parking' signs are posted in advance of snow removal operations is a requirement under the Town's Traffic Bylaw and can result in fines and towing of the vehicle at the owner's expense if needed.

Removing your vehicle from the road also helps crews conduct snow and ice control operations safely and more efficiently.
