Snow removal on roadways is expected to continue over the coming weeks. More details on which streets are scheduled to receive snow removal will be provided later this week.

Snow and ice control crews are also:

- Sanding roadways throughout the community as needed; and
- Sanding on sidewalks adjacent to Town-owned properties and on walking trails as needed.

‘No Parking’ Signs

Please watch for ‘No Parking’ signs and move parked vehicles from roads when the signs are posted.

Removing your vehicle from the roadway when ‘No Parking’ signs are posted in advance of snow removal operations is a requirement under the Town’s Traffic Bylaw and can result in fines and towing of the vehicle at the owner’s expense if needed.

Removing your vehicle from the road also helps crews conduct snow and ice control operations safely and more efficiently.

Please note that changing weather conditions and new snowfall events can require crews to direct their attention back to priority routes and delay planned snow removal operations. As a result, crews may not complete all the roadways and will return at a later date.
